

Atlantic Mountain Ranch Summer Adventure

Want to sample some unique adventure in the beautiful Black Hills of South Dakota? Come with us this summer to Atlantic Mountain Ranch (near Custer, SD) for an awesome week of fun, fellowship, personal challenge, and growth. We will be staying at the "Outpost" area of Atlantic Mountain Ranch. This site has cabins with bunks, outhouses, and sinks with hot and cold water. We will use flashlights and lanterns instead of the modern convenience of electricity. The modern bath house with showers is ¼ mile away. Most meals during the week will be cooked over a fire by our own group members. A few meals will be served in the dining hall. Along with our adventures of **rock climbing, hiking, mountain biking, and kayaking**, we will have time each day for games, chores, meeting new friends and hanging out with old ones. At the Ranch we will also engage in a daily rhythm of worship, Bible study and conversation that will give depth to the fellowship and adventures shared at camp. This will be an experience of a simple lifestyle—getting back to the basics, developing a team within our group, and having the adventure of a lifetime!
