

Building Committee Project Report – 1/06/10

Here is a list of recent accomplishments and upcoming tasks to date:

Since the last report:

- Finished foundation Demo of existing west wall of old entry area.
- Poured more footings at existing foundation wall.
- Received bar joist and have received most of the structural steel.
- Have begun steel erection.

Upcoming:

- Complete steel erection.
- Scheduled to start steel stud framing Jan. 7th
- Begin roofing end of next week of week of January 18th.

The Building Project Committee would like to continue to thank everyone for their ongoing support and assistance. We continue to be grateful for our Faith Family's ongoing support with this ever changing building project for our Church! Please make sure to drive around to the Hansen Boulevard parking lot on Sundays to see the progress. Now that the Holidays are over, we can once again focus our energies full steam ahead toward our goal of the June completion. Keep those prayers coming!
