

Building Committee Project Report – 4/14/10

Here is a list of recent accomplishments and upcoming tasks to date:

Since the last report:

- Steel stud framing of walls completed
- Hanging drywall (sheet rock) in multi-purpose area
- Offices have been taped
- Metal wall panels and roof trim has been installed
- New rooftop units have been gas-piped

Upcoming:

- Finish framing of miscellaneous interior soffits
- Tape out multi-purpose area
- Begin painting
- Finish up miscellaneous mechanical/electrical rough-ins
- Begin installing ceiling tile grid

The Building Project Committee continues to be blessed with everyone's ongoing support and assistance. We will continue to announce opportunities that each of you and our ministry areas can be involved in to support our project in upcoming weeks!

We invite you to drive around to the Hanson Boulevard parking lot on Sundays to see the progress. We will have the ongoing intermittent "video tours" of the new construction in the Gathering Area with a television playing a repeating tape every of couple weeks when significant noticeable changes occur. This will allow you to have a safe, convenient and clean first hand look!

If you have questions or concerns let us know as you have been. We have heard them and will do our very best to address those brought to our attention!

Join us in prayers of continued success in our project.

Donn Berkeland and Steve Weiss, Co-chairs
