

Building Committee Project Report – 4/28/10

Here is a list of recent accomplishments and upcoming tasks to date:

Since the last report:

- Steel stud framing and hanging of drywall is completed except for a few misc. items
- The new office area has been painted
- Ceiling grid is installed in new office area
- Hallway leading into the new area has been painted
- Taping of multi-purpose area has begun
- Mechanical and electrical trim outs have begun in new offices

Upcoming:

- Finish taping
- Paint multi-purpose area
- Continue on mechanical and electrical trim
- Begin flooring install

The Building Project Committee continues to push toward the finish; we are nearing the successful completion of our new facility in next 30 days! It's hard to believe how fast it has gone.

Please make sure to drive around to the Hanson Boulevard parking lot on Sundays to see the building progress. You will notice the block and brick work has been cleaned up and is looking great! In recognition of the one year anniversary of the Capital Appeal Fund, you are invited today at 12 PM to see the building renovation to date.

If you have questions let us know. Join us in prayers of continued success in our truly blessed project.

Donn Berkeland and Steve Weiss, Co-chairs
